

## 1549 East Napa Street Notes

Vineyard for this property consists of 147 vines.

- 15 Merlot vines FPS/110R (C)
- 19 Cabernet Franc FPS/3309C
- 113 Cabernet Sauvignon FPS/1103P

These are same vines used for Opus One in Napa and the fruit from this vineyard is a field blend of all three varietals in the approximate percentages that Opus uses. This creates a Bordeaux blend that is great with strong cheeses, steaks, mushroom risotto, and everything chocolate! The blend won 1<sup>st</sup> place - Professional judging for VOMDES. There is a wine room on property for storage of wine. Each year this vineyard produced enough fruit for two to three 55 gallon barrels. Each barrel when bottled will produce 25 cases of wine.
